MEMORABLE DAYS

In Grayling High School

Grayling, Michigan

This school annual is dedicated to Mrs. Roy O. Milnes, a most capable vocal music director, who, after twenty-seven years of service in the Grayling Public Schools, is retiring at the close of this school year.

Mrs. Milnes began her teaching career here in 1918, and after having taught five years, she left the profession to raise her family. During the war, in 1943, she returned to teaching. She has taught various subjects; her major, however, has been vocal music. Many of her vocal groups, due to her excellent directing, have been awarded high ratings.

It is with sad hearts that we see Mrs. Milnes leave the Grayling School System.
